JUSTICE JOHN NYAZIKA

has successfully completed the online Specialization

SOLIDWORKS 3D CAD for Education

In this Specialization, learners developed and honed essential skills for today's dynamic workforce, including 3D modeling, sketching, feature application, pattern creation, and assembly design using SOLIDWORKS. Through hands-on projects, they gained practical experience in solving real-world CAD challenges, preparing them for industry applications.

 **SOLIDWORKS**

SOLIDWORKS

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
